MR. BARRISON: Let me have  
this marked. I think you're up to  
No. 4.

[A copy of  
Postgraduate  
Verification Form -  
Page 2 was marked  
as Mushrush  
Exhibit No. 4 for  
identification.]

Q You wanted to add something to that  
exhibit?

A I believe the second exhibit is after  
he had done the extended training and  
he was in his final year. And so he  
had already made -- the training  
committee had asked him to do extended  
training of three months. And this  
was after he had already done that.  
So he was back, as far as I was  
concerned, in good status.

MR. FARQUHAR: Could we just  
have the record reflect that the  
deponent was pointing to Exhibit.

30

No. 3?

MR. BARRISON: Certainly.

Thank you.

Q Doctor, this has been marked as  
Exhibit No. 4, and would you take a  
peek at that, please?

[Witness looking at document.]

Q Do you recognize Exhibit 4?

A Yes.

Q And what is it?

A It's part of an application for  
something. It's part of his post-  
graduation verification form from the  
board.

Q Is that your signature that appears on  
Page 1 at the bottom? Page 1, Doctor.

A You're referring to this as Page 1 --

Q Yes.

A -- because it's labeled Page 2? Yes.

Q And the date of your signature is  
given there as well?

A 2/24/04.

Q So Dr. Badgaiyan would have finished  
his training at the Brockton V.A. by

31

then, am I right?

A That's true.

Q And the second page, can you briefly  
describe what Page 2 and 3 are of this  
exhibit?

A It's an explanation to accompany the  
form.

Q And that's your signature that appears  
at the end of the letter?

A Right. I guess you had to -- you had  
to explain anything that was labeled  
"no." So these were referring to  
those answers.

Q Specifically, it's referring, Doctor,  
to Question No. 2 on the first page,  
was the applicant ever placed on  
probation where the box for yes is  
checked off.

A Uh-huh.

Q Is that correct?

A Yes.

Q And you placed that checkmark under  
yes, am I right?

A Yes -- wait a minute. Yes, okay.

32

Q You placed the checkmark for yes?

A Yes.

Q The applicant had been placed on  
probation?

A Right.

Q If the fact of his probation wasn't  
important enough for the first  
renewal, why did you check "yes" on  
this application, Doctor?

A This -- this is a more serious thing.  
It's a permanent license, and I felt  
that there -- there had been other  
things that had happened including the  
extension of his training, et cetera  
that has been a problem. So I felt  
that there should be some record of  
that.

Q Well, wasn't that addressed in  
Question No. 4 where you checked "yes,  
were any negative reports ever filed  
by instructors regarding the  
applicant"?

A I'm sorry. I don't understand your  
question.
